

In 2015, United Nations has developed 17 Sustainable Development Goals (SDGs) in efforts to build economic growth and address a range of social needs including education, health, social protection and job opportunities while tackling climate change and environmental protection. This SDGs are intended to be achieved by the year 2030.

PTIE has identified ten (10) SDGs that are relevant for PTIE to embrace

Material Matters	Relevant SDGs	SDG Goals	PTIE Strategies
Community Investment	SDG 2: Zero Hunger 	Achieve food security and improved nutrition and promote sustainable agriculture.	Providing food and groceries to local communities to support community development in Malaysia.
Product Safety and Quality	SDG 3: Good Health and Well-being 	Ensure healthy lives and promote well-being.	Adherence to relevant policies, best practices, regulations and food safety standards

	<p>SDG 12: Responsible Consumption and Production</p>  <p>RESPONSIBLE CONSUMPTION AND PRODUCTION</p>	<p>Ensure sustainable consumption and production patterns.</p>	<p>Focus on driving continuous improvements through customers engagements</p>
<p>Corporate Governance and Ethics</p>	<p>SDG 8: Decent Work and Economic Growth</p>  <p>DECENT WORK AND ECONOMIC GROWTH</p>	<p>Promote inclusive and sustainable economic growth, employment and decent work for all.</p>	<p>Promoting high standards of business conduct</p>
<p>Responsible sourcing</p>	<p>SDG 8: Decent Work and Economic Growth</p>  <p>DECENT WORK AND ECONOMIC GROWTH</p>	<p>Promote inclusive and sustainable economic growth, employment and decent work for all.</p> <p>Ensure sustainable consumption and production patterns.</p>	<p>Managing supply chain by traceability and engagement with suppliers.</p> <p>Promote plant-based food and indirectly help to reduce demand for livestock farming and its impact to environment.</p>
<p>Product innovation</p>	<p>SDG 3: Good Health and Well-being</p>  <p>GOOD HEALTH AND WELL-BEING</p>	<p>Ensure healthy lives and promote well-being</p>	<p>Focus on innovation to enhance quality of products and inspire people to eat healthier.</p>

	<p>SDG 11: Sustainable Cities and Communities</p>  <p>SDG 14: Life Below Water</p>  <p>SDG 15: Life on Land</p> 	<p>Ratio of waste repurposed and disposed</p> <p>Promoting sustainable land-use planning and management</p> <p>Effectively regulate harvesting and end overfishing.</p> <p>Promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally.</p>	<p>Work towards zero waste of fruits and vegetables, which help to reduce the environmental impacts of city.</p> <p>(In progress) Developing high-tech smart farming to increase production of vegetables on smaller size of land space, as well as helping to reduce dependency on import vegetables.</p> <p>Promotes dietary switch to plant-based meal.</p> <p>Promote plant-based food and indirectly help to reduce demand for livestock farming and its impact to environment.</p>
<p>Diversity and Inclusion</p>	<p>SDG 8: Decent Work and Economic Growth</p> 	<p>Promote inclusive and sustainable economic growth, employment and decent work for all</p>	<p>Provide equal employment and no discrimination.</p> <p>Sourcing of local workers.</p>

<p>Training and development</p>	<p>SDG 8: Decent Work and Economic Growth</p>  <p>DECENT WORK AND ECONOMIC GROWTH</p>	<p>Promote inclusive and sustainable economic growth, employment and decent work for all</p>	<p>Continuous training and development of employees</p>
<p>Occupational health and Safety</p>	<p>SDG 3: Good Health and Well-being</p>  <p>GOOD HEALTH AND WELL-BEING</p> <p>SDG 12: Responsible Consumption and Production</p>  <p>RESPONSIBLE CONSUMPTION AND PRODUCTION</p>	<p>Ensure healthy lives and promote wellbeing</p> <p>Ensure sustainable consumption and production patterns</p>	<p>Increasing awareness of safety and health by implementing plant-based food campaigns.</p> <p>Continuous improvement of its occupational safety and health system.</p>
<p>Climate change and Environmental Management</p>	<p>SDG 6: Clean Water and Sanitation</p>  <p>CLEAN WATER AND SANITATION</p>	<p>Ensure access to water and sanitation for all</p>	<p>Managing climate change risk by minimizing emissions and water that are hazardous to land, air or water environment.</p> <p>Monitoring water leakage, collection of rainwater and waste water treatment to minimize its environmental impact.</p>

	<p>SDG 7: Affordable and Clean Energy</p>  <p>AFFORDABLE AND CLEAN ENERGY</p> <p>SDG 13: Climate Action</p>  <p>CLIMATE ACTION</p>	<p>Ensure access to affordable, reliable, sustainable and modern energy</p> <p>Take urgent action to combat climate change and its impact</p>	<p>Adopt energy efficiency practices. Implement a solar project.</p> <p>3Rs principles– reduce, reuse and recycle for waste management.</p>
